“ I am so sorry for your families loss. Just the way her family has always talked about her and the things her kids and grandkids and great grand kids said about her, you knew she was one heck of a grandma and mother. So Lord please wrap your arms around this family and get them thru their life without this wonderful lady. Just know she is in heaven looking down on you. Please stay as close as you are now. You're in my thoughts and prayers.
