“ John, Karen, Paul & family, We are so sorry for your loss. Mary was such a sweet woman. I will never forget that on our first meeting she offered me a pair of tennis shoes so I wouldn't fall on the hill to the dock. Her smile, laugh, and the love she and your dad shared will always be remembered. You are in our prayers. Love, Doug & Denise

“ It was with great sadness that I learned of Mrs. K's passing. She was my second Mom in high school and was loved by all that had the privilege of knowing her. I will always remember her perpetual sunny disposition and wonderful laugh. She will be terribly missed.

My prayers are with Mr. K, Johnny, Greg, Corrine, the numerous grandchildren and all the other Kologe family members as they go through this valley.

“ Mary Lou was my best friend from kindergarten until forever. She and her sister, LaVerne and I were always together, we went through teen years, marriages, divorce, babies, adult children and their grandchildren. Mary Lou came from a family that loved all children and especially her baby brother, Kenny. Their Mother, Cora Hauth, was the center where all good food was served and a home full of lots of fun and laughter. Mary Lou lost a few of her family, her sweet sister, LaVerne (they were each other's best friend) their Mom, and their brother, Butch. But her blessings were a great husband, John and she had the joy and was very proud of two great sons and finally a girl, her precious daughter, Karen. All of her grandchildren, her neices and nephew, her daughter-in-laws plus all my children, Sara, Steven and Laura loved Mary Lou, as did all of her nieces and nephews.. and her friends..... Everyone will miss her.forever..

“ John, Greg, Karen, I am so sorry to hear of Mary's passing. She was a great mom to you and to so many of us kids that were always hanging around. You were blessed to have her in your lives as long as you did. Remember the good times, cherish her memory, and know that our thoughts and prayers are with you in this difficult time.
