“ So sorry to the whole family.to hear of Mary Kay's passing. She was one of my mom's best friends and bowling buddies. When my mom had to quit bowling, Mary Kay would pick her up and take her to bowling alley so she could have lunch with them. My thoughts and prayers are with you. Martha Jane (Ohlman) Hattabaugh

“ I only knew Mrs. Oechsli as a young teenage girl, but even then I admired her and looked up to her and always felt welcomed in her home, which was always full of activity and fun; I guess what was one more anyway!! The last time I saw her was at my dad's funeral and there she was serving at the reception. That meant a lot. Rest in Peace Mrs. Oechsli. Sending my love to her family.

“ Mary Kay was a wonderful person. When my mother-in-law became ill she was always there to help. She often gave her a ride to the beauty shop. As she lived down the street she would check on her for us. She was what a true friend really is.

“ *The memory I would like to share is everyday when I went to work to take care of this wonderful lady. She would call me chlorine Clorox Carissa and a bunch of other names and when I would ask her why and if she knew who I was she would say yes your Christine*
