“ *Tragedy is so sudden it makes the clock stand still. Dearest Liz may you rest in peace forever. True we have not been as close as we used to be years ago but I will always remember the good times we had. We often had fun with Robie and Little Beau in taking trips to Florida and going to Disney World, trips to Neon for the weekend to see Teet, Powell and your mama in Benham Lynch. I have fond memories of our trips like these and those of going to the antique car show in Lancaster that Robie enjoyed so much.*

Kristin, you have my deepest condolences during time of this sudden and tragic loss.

May God Bless you and your family forever.
