“ Linda, Karen, Teri, Lisa and Judi, I was so sorry to hear of your mothers passing. She was a beautiful and precious woman. It's been quite a while since I've seen her but Karen always kept me informed about her health and activities. She was a strong woman and I am so happy you had so many years to spend with her. You will be in my prayers for the pain to subside and wonderful memories to replace the sadness you feel right now. God Bless each of you and my hugs to each of you. :) Kimberly
