My heart really hurts right now. I had you on my mind so I tried to look for you on the Internet. I had no clue you was not hanging out killing time somewhere pretty close to home. To all of Tina's family I am Jenise and Incase you don't remember who I am Jerry is my brother in law. I am so sorry to hear about Tina's passing. I love Tina. Not sure what happened but my heart goes out to all of you. I know that pain of a sister or brother passing. I found my brother dead in my bedroom on March 29th That pain is awful and it was just the two of us. Sending my love to all of Tina's family and friends. Take care Jenise Sherrill 270-283-2595

“ I miss you more than I thought was genuinely possible, but knowing you are flying free now brings me the most peace. There is no more suffering or hardship except for those you left behind. We miss you so much already and love you forever.
