“ Dearest Aunt Dot, may you find the joy that fills your heart everyday you were here with us, reflecting on all the kids you helped and all the hearts you touched. We are all better knowing you and your remarkable giving and loving spirit. Thank you. I know that there was a crowd waiting to greet you as you stepped into heaven. To Bonnie, your mama waited until you were ready. She endured pain and suffering so that you would feel safe until that time that you showed her, you were ready to be separated from that sweet, loving, nurturing soul you called mom. She watches over you every day and when you hear that voice talking to you, know that its mom, she still there in your heart.

“ Dearest Aunt Dot, you are the best. We will greatly miss your smile and sweet disposition. We know that there were many waiting to see you in heaven, as you walked thru the gates. Sadly you will be missed here by so many people you touched. You leave behind a great legacy of kindness and generosity, thoughtful and caring gestures, as you always had a big heart for others. We are so glad that you were a part of our lives. Thank you for all that you did.
