“ I was going through my auburndale yearbook and saw a girl a that i didnt always get along with but in the end we made up and i remember we found out we lived near eachother and she said we should hangout sometime and i agreed but then covid happened and we went our separate ways and never got in touch. I was curious about how she was doing nowadays so i googled her name on facebook to see if she had an account, this was the first thing i seen of her and my heart sank. I am so sorry that this happened. fly high baby 🙏📧
