“ I was so sad when I heard about Megan's life ending so early. She was such a happy little girl when I knew her. My sympathy to the Berry family.

“ Megan has been my best friend since freshman year of high school and I love her like my little sister! I am so mad I couldn't be at the funeral today, but I'm blessed to have great memories of her to remember her by! I give my prayers and condolences to her family! I'm glad she had a relationship with the Lord before He took her home!
