

Megan Celeste Eagle

September 16, 1987 - August 29, 2019

Megan Celeste Norman Eagle, 31, took her last breath on August 29, 2019. Even to the very end she showed her selfless spirit, making the heroic decision to donate her organs to others in need. She was born September 16, 1987 in Portsmouth, New Hampshire. She left behind her parents Celeste and Monty Norman; her husband Robert “RJ” Eagle, whom she married on October 4, 2013; her dogs Lola and Callie, and her cats Simba, Ray and Chloe.

Megan also left behind a large family and lots of friends who loved her very much. Among them were her biological father Stephen Dillon and her step mother Sharon Dillon; her grandmother Odette Paquin, her half-brother Ian Dillon, stepsister Emily Bliss; sister-in-law Rachel Evanow; brother-in-law Josh Evanow; plus numerous aunts, uncles, and cousins.

Megan was preceded in death by her grandparents Kenneth and Geraldine Norman; her grandfather Maurice Paquin; her father-in-law Robert Evanow; her cousin Josh Rountree; and her beloved bulldog Lucy.

Always displaying her breathtaking smile and a heart of gold, everyone who knew Megan instantly loved her. She brightened any room that she walked into.

Megan loved fall days spent outside with family, especially on her parents' farm. She loved the beach and just being around water.

Her favorite holiday was Halloween, always celebrating by dressing up in costumes and wearing crazy makeup. She wanted everyone to share in her love for it. When she was young she would help her parents throw big Halloween parties in the front yard for trick-or-treaters to enjoy.

She loved to wear makeup and could have been called a professional selfie taker, always capturing special moments with friends and family.

Megan was a passionate animal lover and would have donated her last dollar to any bulldog in need. She especially had a soft spot for animals with disabilities. In lieu of flowers, Megan's family is asking for donations to Indiana Bulldog Rescue at www.indianabulldogrescue.com to support her legacy of caring for bulldogs in need.

The memorial visitation is from 3pm to 8pm on Tuesday, September 3rd, 2019 at Owens Funeral home on 5317 Dixie Highway.

“ I met Megan while she was getting her hair done by her friend Shelby McArthur. The first time I talked to her I knew she was a kind and caring soul. She could carry on a conversation with anyone and be sincere. You always felt comfortable around her. She was always smiling and happy. Heaven has gained a beautiful Angel. ❤️❤️🙏

“ Beautiful obituary for a beautiful young lady!! Megan was such a loving sweet person like her mother and the love between them is phenomenal it just flowed from each of them!! I was so happy Megan and RJ got to come to the cookout we had we really got to talk and their love was beautiful too I know mom loved her dearly and Monty loves her as his own too!! I know Megan would want us to remember with love and compassion not pain and sorrow though she will be missed terribly I know. I know Celeste heart is broken and it never really heals you just learn how to bare it better as time goes on. I would like to send comforting prayers to Celeste and Monty and to RJ love to you all
