“ Dear Lee, deeply sorry for the death of your dad. Margaret told us last night when she got home. Be assured that in our faith and yours that your dad will be with the Lord and your mom in the kingdom. Abbie and I will keep you and your family in our prayers. But on this blessed Easter, the most holy day that you and your family find comfort in prayers and promise Christ gave us.

“ My best memory of Rocky was the day he came in my office and said "mama threw a spoon at me last night". He was a good man and he'll be missed. Our sympathies to all of you.
