“ We haven't seen Gene and Pauline for oh so many years. I remember the summer vacation trips to Grandma and Granda Ashby's farm in Princeton and listening to Gene and Pauline tell us of hi-jinks from their younger days and Pauline laughing oh so merrily with all of it. God Bless.

“ I know Gene will be so very missed but we know that he is for sure without pain now and heaven is happy to have him there to do woodwork for them. I wish I could be there but at this time it's not possible. To Pauline and all I send my love and prayers. I will be sending a card and something for the memorial soon. Love to all!!!
