“ I worked with Michael while a faculty member at JCTC. I am sad to hear of his passing. He was working very hard to better himself, and was a pleasure to work with.

“ I worked with Michael while we were both stationed at Fort Carson. I met him while working at Evans Hospital. I remember SPC Bennett always going above and beyond to help everyone. He would drop what he was doing to help you out. I'm not one who cares much for Ortho, and I remember how he jumped in to help me out on a big Ortho case. That was Bennett. He had the biggest heart. It didn't matter what was going on in his life, he would always lend a shoulder or ear. I still to this day remember the huge hug I got from him when he returned home from deployment. He was like a brother. He has touched so many lives and there are so many broken hearts right now. I haven't seen or talked to him in so long, yet my heart aches so much. RIP my dear friend.

“ *Deploying to Baghdad, Iraq 2005. You were originally supposed to deploy in 2004, however they had too many troops already there. So of course, the "proud" soldier you always were, chose to volunteer in 2005. That was a very sad day because we knew how much we'd miss you.*

*We will forever be proud & miss you!
RIP Michael, We love you!*

“ To Michelle, Melissa,, and Matt,
I know we've never met in person, however know you all through stories shared by Michael. I came to love your Brother very much and even your Mother too. I cannot phantom the heartache you must be feeling and only can imagine by comparison of my own. My deepest condolences, love , and prayers to you all and your family as well. Michael touched many lives and left a huge impact on mine and my Sons. We were all once upon a time a family. He forever be in our hearts and on our minds, not just yesterday, today, or even tomorrow; but until we all meet again.
