“ Mike was the first to welcome me at Shively Baptist! Even when I moved away and would come back to visit, he was always there to greet me and have a great conversation with. I will always remember his friendliness and his love for visiting those who couldn't get out...true Ambassador for Christ and I know he will be missed!

“ I am so sorry to hear about Mike's passing. In the past several years before Covid hit he was there for our family during my father's illness and his passing. He was there at the end of my dad's life and gave the family comfort to know there was someone there from my dad's church. After my dad passed he was there visiting my mother at her nursing facility on a regular basis. We knew when we saw Mike coming that it was time to sit down and have a long talk. Mike Berry was one in 1 million. He didn't just talk the talk, he walked the walk. I don't know if he ever knew how much he gave to lives by just being there. Not because he had to ,but because he sincerely wanted to. Thank you Mike Berry. I hope mom and dad met you at the gates to heaven and greeted you as you always greeted them. Thoughts and prayers for the family.

“ Mike and I are cousins. For several years, when we were both very small, our parents all lived in Louisville and we would visit each other often. I will always remember Mike and his sister Bonnie, and what fun we had during those early 1950's. Later, we moved back to Stephensburg, where Mike's father grew up. Cousins would gather at his grandfather's house and for several years we lived just across the road from them. The Berry men were all such wonderful people. They were friendly, funny and could tell such great stories. Many in Mike's family were military men and served in World War II. In fact, his father and two of the brothers all served at the same time in Europe. Mike's uncle Lynnwood once told me they never saw each other when stationed there, but found out later that they actually were in areas very close to one another. I believe all were injured but all returned home. Mike and I were both great grandchildren to Ephriam Moore Berry and Ella Seitz, who are buried in Cave Hill Cemetery. To Mike's family, I extend my deepest sympathy and prayers. Love, Brenda Stewart Bush

“ I always felt Mike was an ambassador for Christ and Shively Baptist Church. He was always speaking with people whether he knew them or not and telling them how nice it was to see them. If you attended Shively Baptist Church, at some point, Mike has taken your picture. Rest in peace!

“ Mike was a good friend to so many! He always visited me in the hospital. He coached and refereed basketball games at Shively Baptist Church. He was a witness to many families and children. A wonderful example of a servants heart!! Mike will be missed.

“ Mike's life and his service to others modeled true discipleship to Jesus Christ should look like. Putting others' needs ahead of his own displayed God's love for us. May he enjoy the fruit of his labors for all eternity! Well done!!
