“ *It's been said that clothes make the man. I'll always remember Big Mike and how particular he was with his shirts and Nautica cologne. His strength, wisdom, and colorful spirit were just a few noted assets of his character.
I moved here a year ago quickly learning Mike had numerous friends. The amount of people I met was a testimony oh how well he was admired and will obviously remain deeply instilled in the community.
Knowing Mike was a gift and his presence will be missed, but his memory I will treasure forever.
Condolences to the family.*
