“ To the Caswell family, my thoughts and prayers are with you. I always loved talking about movies with Michael and borrowing from his collection, he had more than Blockbuster! I always enjoyed his stories and his flair for life. Michael always lit up the room. In a lot of ways I think he influenced my entrepreneurial path and love for movies. If there is anything I can do for you, please don't hesitate to let me know.

“ I'm so sorry to hear about Mike of his passing. I have only known Mike for 6 or 7 years. I will miss him coming into my work telling me about his golfing or getting his material dropped off so that he can go golfing.
