“ *I was 11 when our family first met Michael - Brayden was on his way into the world. Big Mike was always great to be around and hang out with. We played games, shot basketball, and I often tried (and failed) many times to take him down wrestling.*

*My heart goes out to everyone who knew Mike. He is a kind soul, and I know we were all blessed by his life in one way or another.*

*I will be missing you big guy ♥*
