“ You always gave the best and biggest hugs sweet Mike. I could literally feel how happy you were to see me and me you in each one. You had a heart of gold and a smile that was contagious just being in your presence. How you touched us all growing up. You will be so missed, Julie's lil' brother forever.

“ Michael was our stepbrother. We shared laughter, fun, heartache and a wonderful father. Even though Michael was with us on Earth for such a short time his absence from our lives will be felt for the rest of ours. Rest in peace.
