“ *Dear Cathy, Kara Gayle, Bud and the rest of the family,*

So heartbroken for you all. I tell people all the time that some of the absolute best and most memorable times of my life were spent at LMS and it was because of the fellowship and sense of community that it provided. I have so many great memories of Mike and you all and I hope that you can find peace and comfort in knowing that anyone who knew Mike is grieving with you. He was a great guy.

*God bless,

“ This is the former chaplain at LMS and Salem speedway, I would not consider my self to be a close friend to Mike but one I knew as a racer that I raced with. As far as I know we never had a run in on the track but over the last month my wife and I have observed some amazing qualities about mike from observing the love of his family and friends. You don't get that much love unless you are a loving individual. I am proud of the time we have gotten to spend with the family recently. I will be attempting to conduct the tribute for Mike at a future time, meanwhile we will be praying for comfort for the family and friends. I cannot answer the question why did this happen but I know the loving Father I serve loved Mike very much. The faster pastor.
