“ *Michael - always ready with a joke, a smile, a hug. He would occasionally/randomly text or give me a call. He was always loved as a part of our family and I will miss him.*

“ *I was saddened to hear of Michael's passing. Even though I haven't seen Michael for 40+ years, he has always had a special place in my heart, and I have such wonderful memories of him. Being at his parents house watching Hee-Haw, listening to the newest Beatles album, but most of all playing Seek & Find in the newspaper every day. We were both so competitive and he hated it if I found the word before he did, which I usually did. Rest in Peace my dear friend. Prayers, for Etta, Jean, Wendell, and the rest of the family, love Jan*
