“ I went to high school with Mike and at one point I think we may have had the hots for one another. I remember talking on the phone a lot with him and he would always be listening to Guns n Roses. I hadn't seen Mike in over 20 plus years since high school but every time I heard Guns n Roses I would always make me think of him. So to you my friend I say rest easy in Paradise City and watch over us all. My prayers to all of his friends and family. May God be with you all in this difficult time.

Love, Stephanie

“ *Heatheryou were just a baby the first time I saw you and I could see that twinkle in your eye just like I see in Caitlyns.. you have had a very hard way to go in your life at times so from afar I've seen this beautiful family come together loved seeing you find a true love in your life and Michael just seemed to be the one...I know nothing anyone says is going to make it better but try to think of the time you had instead of the time that doesn't seem long enough.I'm praying for all the Mahurin family. I'm so sorry.God please hold this family tightly.*
