“ Wonderful, funny, happy, loving memories from summers spent both here and there; playing full house hide and seek in the dark, going to Rhode Island Beach, listening to Ozzy and Cat Stevens, shared the same birthday...Aunt Shirley, Stace, Chase, Dylan, and Mema, we feel your pain one thousand miles away...Todd we will miss and love you forever XO Beautiful soul.....

“ My heart , prayers and thoughts with the family and friends of Todd. As I used to tease him and call him Toad Mann . He always laughed at it. I wish I could be there but I'm 600 miles away. He was a very dear friend to me for over 20 years. I will always treasure our special friendship SND thank God for all the time we had. Until we meet again my friend, we will be loving you!

“ *To the man who introduced me to Pearl Jam and Temple of the Dog...Who knew all the lyrics, and all the stories behind the music. Say Hello To Heaven...and for you I hope it's never boring. You were one of the good ones, and those songs will never be the same for me now. You will be missed.*

“ *Shirley*

My heart goes out to you and your family during this period of time as a result of losing your son prematurely.

We don't understand why God sometimes takes a love one so young, but I believe that we will understand it by and by.

My prayers are with you and your family.
