“ I just recently found out about Mike’s passing, he dated my mother years ago, and out of all the men she dated he was by far the best, when my own father wasn’t there, Mike was, a lot of my childhood memories included Mike, first time I went hunting was with Mike first time I went camping was with Mike. Even years after him and my mother split up I had an issue with the vehicle and called him to ask him if he might know what I needed to do to fix it., and Mike being the caring person he was came and picked the car up and fixed it himself 🙋🏻♂️, and when I went to pay him, he told me to “put your money back in your damn pocket” 😂, but that was Mike. Always putting everyone else first before himself., his mother and father are wonderful people ❤️ my heart goes out to you guys, as well as his new wife. (I’m sorry I don’t know your name, sweetie, but my heart goes out to you as well 😊) .. Oh by the way, my name is manuel , I am his ex Tina’s son.,... well Mike I’m sorry I wasn’t able to get in touch with you before you went home to see the Lord, I wanted to tell you thank you for being a father when you didn’t have to be, thank you for being there with my own parents weren’t, love ya man ... see you on the other side 🙌
