“ It is sad day when when someone like Mike leaves us. He was always smiling and would make anyone feel better just for speaking with him for a few minutes. Our thoughts and our prayers go out to all his family and friends; we all lost someone special. John and Melissa

“ I attended Bishop David High School with Mike back in the mid-1970's. We were in the Honors section and took many classes together. I remember Mike playing baseball and always trying to keep his cap on without messing his hair. His mom worked in the office at the school and both were very kind. May God welcome Mike into the Kingdom of Heaven. I will remember him in my daily prayers.
