Mike was an awesome friend and mentor. We worked together at Kroger 763 for many years where I was his backup on receiving. He taught me many things and made me comfortable with a position I was terrified of learning.

Every morning he would wait outside with another coworker until I arrived, making me feel safe at such an early time in the morning. I would bring him a cup of coffee and we would stand outside and talk about everything. He would listen intently and advise accordingly. I have missed those morning talks since he retired.

He was a kind and fun loving man, who was loved and admired by all he met. On the day Mike retired, he hung his Navy hat, which was a staple in his Kroger uniform, on a US flag which hung by the DSD desk. It has had a permanent place there since his retirement. Upon learning of his passing, I immediately went for the hat and wore it in his honor my whole shift. He has been and will continue to be sorely and lovingly missed by all of us at 763.

My condolences are with the Nix family and I'm praying for peace and comfort.

Michael, save me a place my dear sweet friend... I won't be long.

“ Mr. Mike was such a huge impact not just on myself but with everyone I worked with during my time at Portland Kroger. As a brand new Coca Cola vendor he chose me, not only to merchandise the store, but to bring me into the family. I met beautiful hearts because he saw mine and wanted me to be a part of a foundation he helped create. He showed me kindness, laughter and forever love. Mr. Mike I love you lots!

“ Although I did not know Mike, I know his brother and sister-in-law, Ronnie and Kathy, who are wonderful people, so I am sure Mike was also. I send them my deepest sympathies and pray God will give them peace and healing.

“ Because of the age difference Mike & I didn't spend a lot of time around each other but I do remember his service in the Navy and as we got older we found time to talk at family get togethers about our service and about the grocery business. Because of the distance I won't be able to attend the memorial service, but will take time during the service to spend a some time in prayer with my family & Mike's friends. Fair winds and following seas.
