“ *Sharon, I know you are hurting at this time, but Michael would not want you to be unhappy. May you find comfort in how much Michael was loved by all of us, and comfort in knowing that we will each carry memories of him with us everyday. Now Michael and Jess are together again, so, you know if you hear any rumblings from afar.....they are up to something!*
With much love and prayers,

“ Sharon and family so sorry to hear of the loss of Michael Ray. He will be greatly missed.

Mike taught me several things as I was in my development stages of life.

He was always up beat and positive and a pleasure to be around. A great competitor and fun to beat if you were lucky enough to do it on occasion.

I will be there to support you in his last moments, if there is anything you need do not hesitate to ask.
