“ Mike you will forever be missed. You were like my own father for many years and were one of the greatest men I've ever known. You have been the greatest father figure in my life and the best grandfather for my kids and I will never forget you constantly joking around and the pure joy you found in life. The only thing that makes any sense about you leaving is knowing you are now back with Tylena, the love of your life. Please watch over your grandkids whom loved you so much. We will always miss you. Love, Brooke, Kaleigh & Alex ?
