“ Becky and Matt, and family, please know that you are all in our prayers and thoughts. Becky , you and I were best buds in 8th grade. Though lots of time has passed, its amazing how we can pick up after years? Got to be God thing...I never knew Mike personally but I did know of him, football of course! Pat played in 69 and 70, Valley. However, viewing all the wonderful remarks, he has truly left a LEGACY of love! Just know you have our heartfelt sympathy and love, in friendship and thank you so much for sharing your journey thru this whole ordeal! Life is so worth living and even unto death, MIKE showed that to be so, and so have you! God bless you all..

“ So sorry for your loss. I know this is a very difficult time for the family. Something that has always given me comfort is a scripture at Revelation 21:4, it says, "And he will wipe out every tear from their eyes, and death will be no more, neither will mourning nor outcry nor pain be anymore. The former things have passed away." I sincerely hope this brings you some comfort.

“ Becky -- Although I don't believe that you and I ever actually met, we do know a lot of the same people. I graduated from Stuart in 1972. My FB friend Jim Stahr posted the notice of the death of your husband. Please accept my condolences on such a sad and difficult loss. I hope that you will find peace in the memories and rest for yourself in the coming days. Respectfully and with kindest thoughts -- Rob Keith
