“ Although we didn't see you often you were always in our hearts and our memories. Alex was lucky to have you as his father, you were a simple man and always treated everyone the same and you were always smiling and laughing which was very endearing. It was a pleasure to know you and love you the short time you were here with us. We hope to see you in a better place. David, Judy, Craig (Craig's as you called him), Travis & Taylor.
