“ It was a joy to work with Michelle over the years. I will never forget the warmth of her smile and how passionate she was about her job and life. I loved hearing her vacation stories and how much love she had for her son and mother. Rest In Peace friend. You will always be in our hearts and memories.

“ I worked with Michelle for 10 years we had our ups and downs, but we were work family and would get through what ever our disagreement was about. She sure loved her mom and son. I loved hearing about their vacations and how Daniel was making it through nursing school. Daniel, you and Becky were the light of her life. She had a zest for life that will truly be missed. I am sorry for your loss. Heaven gained another angel way to soon. Go with God sweet friend. 💔

“ I loved working with Michelle. She was so smart and honest. The most level-headed person, but with a wicked sense of humor. She would not compromise her integrity even when that would have been easier. I hope those who knew her realize how rarely such a person as Michelle comes into your life. Her love and devotion to Becky and Daniel was her greatest joy. They came first in her life. They made her so happy. I hope their many wonderful memories will comfort them in the days to come. Their bond is so strong that her presence will be felt. Michelle has worked to prepare Daniel for his future and her loving influence will guide him in his life. Michelle, you are one-of-a-kind and loved so much. Watch over us till we meet again.
