“ Sandy, it seems like yesterday that my Aunt Bobby, Joyce and my momma went to get our fortunes told. We had a wonderful day and laughed all the while, well, not when our fortunes were being told. I spent time along with Joyce and she was always so kind and loving to me. Be thankful for being her caregiver, as there will be moments you shall treasure forever. Sandy, I loved Joyce and she knew it.

Be kind to yourself during this time and realize that Joyce is enjoying Heaven above.

“Joyce was one-of-a-kind. I first met her during the illness of her husband; prayed with her through Pat’s car wreck; and enjoyed visiting with her on numerous occasions. I loved to sit and listen to her stories about her escapades with her friend, Walter Guffey, and her girlfriends. She was an asset to our church family and always brought a smile to everyone’s faces when she was able to attend church. I know she is resting in the arms of Jesus and is at peace. She will be missed greatly. Brother Johnand Cathy Duty

“Sandy, We are so sorry about the passing of your sweet mother. You loved her dearly and it showed in your caring and compassion. Always be proud that you were her primary caregiver, you will never regret that. Spending time taking care of a parent is an honor that more family members should be proud to do. Zach and I both know how you are feeling as we both have in recent years been where you are now. You have earned your wings in heaven. Your mother is flying high now and in no pain. We love you and remember that you are in our thoughts and prayers. Kevin and Zach
