“ Gary and Leonard, my first memory is a memory back in 1980. David and I and Jane Kelli just moved from Greensburg Kentucky to Louisville. We joined Fern Creek Baptist Church in April of that year and I met a lot of new people and Midge was one of them. A month or two after that, Jane Kelli and I were both sick and we were on the way to the doctor's office in Jeffersontown. We had a flat tire on Billtown Road. Midge happened to come along and saw us and recognized us. She stopped and took us both to the doctor and stayed there with us and then took us to the pharmacy to get our medicine and took us home. She had someone go to where our car was parked to change the tire and then when David got home from GE, he went to pick it up. I will never forget that day and Midge's kindness to Jane and I whom she barely knew. Love you Midge!

“ I will always remember my sweet, talented, good-natured friend. Midge loved her friends, church, and family. She had multiple talents, one was being a wonderful cook. I will never forget my son bringing her recipes to me, in hopes my food would turn out like hers. Never happened!! Gary and Leonard, I will keep you in my prayers. I know she will be missed!
