“ *Bobbie Ann & family,
I am first and foremost so grateful that your mother was a Christian. She is home, at peace with Jesus. My fondest memories are how she tried so often when I was a child in church to teach me to be a little lady. She was a wonderful person. She loved my grandmother as her dear friend, despite the heartache she could thrust upon her, and that meant the world to me! I know she was so proud of you & your family and who you each have become.
Because I am closing on the sale of my home, I cannot be present to visit with you or attend the funeral. Please know you are in my thoughts & prayers. I love you!*
