

Milena Djordjevic

October 18, 2016

Milena Djordjevic, 89, passed away on Tuesday, October 18, 2016. Born in Serbia (former Yugoslavia), Milena came to the United States in 1957 and settled in Los Angeles California, until 1995, when she moved with her family to Louisville Kentucky. Milena was an incredibly strong and determined woman who embraced life. As a dear friend said, she was ahead of her time. She loved to cook and enjoyed all sports, especially when her motherland was being represented. She was easy to talk to and could hold her own when discussing any topic. She was a good listener and enjoyed spending time with her friends. One of the most important things in her life was her family, and even though she is gone now, she has left the legacy of her love, strength and perseverance. She always put others in front of herself and has made a positive mark on the life of everyone that she knew. She was a great Woman, Mother, Grandmother, Great-Grandmother, Mother-in-law, Aunt and Friend, she will deeply be missed by all. We are blessed to have had her and we celebrate her life. There will be a private family service. Owen Funeral Home - Jeffersontown is entrusted with arrangements. Expressions of sympathy may be made to the charity of your choice.

“ I am so sorry for your loss, Gloria, Alex and all the family. I know from my talks with Gloria just what a wonderful woman she was and how much she loved her family. Sending prayers to you all during your time of loss.

“ Yes, indeed her words of wisdom transcended generations. Teta Milena was a brave lioness. Always there for her children, embracing their closest friends as her own, listening, providing guidance and love. Her mere presence was uplifting. While I am sad that she will not be there the next time I visit, I will never forget her contagious passion for horse racing, the sparkle in her eye as she helped me pick my selections for the Kentucky Derby race. And, while it was long ago, I have not forgotten, and I will always remember her encouragement and support during my freshman year in college. A warm cup of tea, a piece of apple strudel, and a late night chat: It was okay to make a mistake. Fix it. Ok to let it out. Cry a little. Laugh a lot. You fall, you take a deep breath and then you stand straight. Head high. Tomorrow is a new day. Life is good. Follow your dreams. Persevere and we can fix or change anything. Grateful to have known you. I love you teta Milena. You are with the Angels now. Rest in peace. Goca

With love and heartfelt sympathy to Donna, Sava, Nesha, Alex, Stephanie, Adam and the entire family. Memory Eternal. Primate nase iskreno saucesce. The Vukotich Family
