“ Margaret I am so sorry. I'm just now finding out. I will miss her dearly. I bet she's up in Heaven with my momma playing Bingo and making crafts. I will always remember her and love her.

“ This is from my wedding day. She couldn't be there, but I went to see her before I got ready and she was so happy! This will always be one of my favorite memories of her. I'm so happy she got to be there for such a big day in my life.
