“ Gloria, Donna, Gary, Sharon, David, We are so sorry to hear of your loss. Pete was a favorite for sure as he always searched us out when we were visiting Carlisle. I had many fun times at your house when Donna and I were young. He will be greatly missed by all. It's not easy when God takes a loved one, but heaven rejoices with him coming. Praying for comfort during this difficult time. Love, Joe & Cathy

“ So sorry to hear of your father's passing. It is truly hard at the holidays, but just know that he is in heaven and is the angel watching over his family. Treasure the many memories and great times with him. They are such a blessing. We are keeping the family in our thoughts and prayers. Love, Lisa and Bobby Williams and Aunt Winnie

“ David and Janet.....so sorry to have read about your dad passing David. Losing a parent never is easy, especially around the holiday season, but know he is having the best Christmas celebration there is.....with our Heavening Father. Prayers and thoughts for this week.

“ *Cookie Papaw,*

*We already miss you so much but with your strong faith in God; God gave you exactly what you wanted. You got to go home and fall asleep at home...to wake up at HOME with Jesus!! I cherish our times together, especially when Chris and I were little. You and mamaw did everything with us; I know we wore you out but those were the best days of our lives!! Thank you for your love, and most importantly, for setting the foundation of this family that GOD always comes first! I'll cherish our memories forever and although the days to come will be very tough...I know I'll see you again someday. We will take very good care of mamaw. I love you so much papaw and I'll never stop! You're my angel and I know you will be there to watch Joey and I say "I do". I'm grateful that God allowed Chris and I to be with you and to say our goodbyes and share our love for you before the Lord called you home! Heaven is a lucky place tonight. Love you papaw, Lisa.*
