“ It was our honor and privilege to know Sister Pack. She had mentored us spiritually and welcomed us as family. My Mom (Judie Owens) knew her family well and treated my husband and I as peers. We were always amazed by her enthusiasm and her music. We are glad that it wont be long until we are all reunited again!!!!

“ I was very blessed to know Sister Pack for many years. I remember hearing her and her sisters [the Carden Sisters } sing. Of late I have been blessed to hear her play the piano in many services. We have truly lost a woman of faith. I know heaven is rejoicing and vibrating with the carden music.

*Until then.....
