“ Papa, I miss you so much. I keep hoping this is a dream and I will wake up from it, but then reality sinks in. I will miss hearing you answer the phone saying "howdy partner" or "hey girlfriend". I will miss the "bye, love you, miss you, don't let the bugs bite" and the "love you, miss you too, don't let them bite on you". I will miss all our games of Yahtzee and Rummy. I will miss being up there and you coming to wake me up saying, "it's 10:30, your breakfast is gonna get cold...you better get up". I could go on and on. You were and still are the best Papa ever! I hate you won't be here when Landon makes his arrival, but I know you will be watching from above and keeping the both of us safe. I can assure you Landon will know you were the best Papa ever and your name will forever live on. He will know all about you! You can now rest in peace and walk the streets of heaven pain free. I love and miss you so much, until we meet again!
