“ It's been a long time since we've seen my Aunt Myrtle and all my cousins. I am Praying for you all in such a great loss of her, I think she was Dads' last living Sister and I know he loved her dearly and it would break his heart if he knew of her passing, as he and mom are not in the best of health. May God bless you all.

“ *Grandma Hayes, I miss you already more than words can say! I love you very much. You helped fill the void when mom passed away. I wish I would have told you that. You let me talk openly about her. You knew that I needed that. All my life you were there for me. I like to think I got my sassy and spunky personality from you! I will miss teasing you about Clark Gable. Gone with the Wind is my favorite movie and one of my favorite memories because of you. I will always think of you whenever I see a hydrangea, coffee, Krispy Kreme and kutchens. You and mom used to drive me nuts when we would spend hours in Fashion Shop. Now I would give anything to have those days back. I know Grandpa, Aunt Patty and Mom welcomed you with open arms. You have always been the strongest woman I ever met. I will treasure you for the rest of my life. I will see you again one day until then you will be in my heart and memories for the rest of my days.*

Love you dearly,

Patti
