“ *Heaven Is More Beautiful, As God Has Called Nabeel ElFarrah, An Angel, Home! Nabeel set a Christian example that we can all live by in order to be chosen to spend eternity in Heaven. Think of all the good times and special memories of him & rejoice in knowing that he's in the arms of the Lord and looking down from above. May God fill the hearts of his family and friends with Peace in knowing that we will see him again one day!*

“ *May God touch your family in a very special way. I was so torn when I saw the obituaries in Sunday's newspaper, but not until after the funeral on Tuesday. God has just called another Angel home! There's no doubt that he's in Heaven, and may you find comfort in knowing that you will get to see him again one day! What a Great Reunion Day it will be! May you find peace in knowing that he no longer has the worries of this life and is an Angel watching over your family at all times. I feel like that he can still see all the good things of your lives. Nabeel lived a good Christian life, and God just chose the "Heart of the family" to be with him to remind us that if we live a life like Nabeel that we also can spend eternity in Heaven when this life is over. My prayers are with you Mohammed, Joy and family day and night. I will continue to pray special prayers for you daily. If there's anything I can do for any of you, feel free to send me an e-mail. A "Heart Full of Love" to a very beautiful, Christian family, as Nabeel was blessed to have the best that life has to offer. I'm so very sorry & May God comfort you. Debbie McCowan*
