“ I always wondered how my life would have been different if Nancy had not asked me to a church picnic where I would meet my first husband and the father of my 3 wonderful children. For that I’ll always be grateful that my parents retired in Louisville, Ky in 1971. Rest in Peace 🙏🙏🙏

“ *She always said I was so extroverted and she was introverted. And I always came back with yes but you got all the other talents. She could see, knit, crochet, cook, bake and craft. She was so talented. And so smart. I will surely miss you my friend. But your work here is done. Go rest high on that mountain!*
