“ I just found out about Geneva today. I am so very sorry. Mom and Dad are in Fla. and they called me today due to them talking to Mrs. Disney.

My thoughts and prayers are with you Penny, Sammi and Lynn. Your mother was a wonderful woman who always made everyone smile. I have such fond memories of growing up down the street from all of you. Time passes so very quickly and know that you'all are always in my heart.

“ Penny,

I am holding you and yours close in thought and prayer. Your beautiful mother is no longer Earth-bound, after completing all her tasks here. 'Well done, good and faithful servant'. If you are any indication, your mother did a might fine job imparting what's most important in life. God bless you today and all your tomorrows.....

“ Penny, I am so sorry to hear about your mom. Thanks to Ike I did get to meet that dear sweet lady and she was so nice to me a complete stranger.

I want you to know that you, Ike, Aaron and Hannah are in my prayers. But you already know that she is rejoicing with our Savior. He is with you now and will see you through this. You all are in my heart and prayers.

Paul.
