“ Nick will be sorely missed by his family and friends. He came into Debbie's life at a time when she needed someone to help carry the load she and her boys were basically handling on their own. They developed into a loving, close knit family. I will forever be grateful for his positive impact, love and kindness he brought into their lives. I pray Nick is at peace as we all will meet again when our physical bodies are shed and we enter our heavenly home as members of God's family. Love you Debbie, Chad and Rick.
