“ *One of the greatest pleasures in our life is our children and I am sure Norine agrees with me. It is our great blessing that we shared two grandchildren, Olivia Grace and Warren Harrison with Norine and Bob. We thank her with all our heart for sharing her son Rick with our family and although we will all miss her she will still be watching over her family. We were blessed to have her in our life.*

“ I was saddened to hear of the passing of Mrs. Pendleton. A very sweet lady, she always made me feel right at home. She was a loving mother and devoted wife loaded with spunk! When i think of her i can see her at the kitchen table on Friday nights with her gang..Richard, Ruthy, Hoss and Kate with a deck of cards or some other game. I can also remember the expression on her face when she came to visit her daughter i South Dakota and i took them to the Black Hills to find buffalo..we wound up pretty much surrounded by the herd and she let it be known in no uncertain terms it was time to get out of there. A warm, wonderful lady..anyone who had the pleasure to know her had a richer life for it. God bless the family and may she rest in peace.
