“ Frank and family. Our family would like to express our deepest and most sincere sympathy on the loss of June. We may never understand why the Lord decided to call June home at this time. But with God's help, strength, support from our friends and family we will get through this difficult time. Be comforted that June no longer suffers and is at peace with God. Maybe God needed June to add to His choir of Heavenly angels.

Mom and Dad (Frances and Bill Merideth) always held June as a very special friend as did we. We all loved June's laughter and late night visits. She was one funny lady. We will truly miss June. May God bless each and everyone of you during these coming days,

Love and Prayers,
