“ Mrs. Norma will be remembered for just how beautiful she was both inside and out and will be missed but not forgotten. Brother Davis, Delores and his family have been a big part of the Campbell family growing up and he has always been there when called upon. He has preached over our loved ones after they have passed and has been a steady and respected minister at Campbells Chapel Church for a very long time and we have the up most respect for him and his family. God Bless the Davis family in Jesus Christ name we pray.....Howard and Pamela Sampson

“ *My mamaw was an amazing talented and strong woman. I have lots of good memories with her. Growing up the grand daughters had tea parties. She made bracelets for us out of thread spools and flowers. She attempted to teach us how to sew doll dresses. She worked with us on learning how to read. Reading was very important to her. She loved to cook lunch for us. However, I am most thankful for the prayers she sent up for her family. My mamaw was a praying woman. She was there for us in the good times and bad times. I will truly miss her. Love Elisa*

Yes, there are lots of great memories. Those tea parties were one the happiest memories I have as a child and I was always proud of the fact that I knew how to read before I went to kindergarten. These things were all thanks to her. As I got older she taught me how to cook different thing but the sunny side up egg was the most difficult for me. She patiently showed me how to do it and was so proud when I was able to do it. Her patience and love of children would have made her an excellent teacher and I think it is ironic that that is what I became. More than all of this though she was an example to us of how to be a good christian women. Her everyday walk gave us something to look to as a guide and showed us how to dress, how to act and most impotantly how to pray. More than once the Lord told me to go and pray with her and even though she couldn't remember anything when I got there she would pray with me. I remember one night when she was sick I was worrying about something and went to her bedside. Normally, she would lay there and talk to me about random things but this night she looked directly at me and asked me what was wrong. I told her and she pointed to the living room and said, "Go in there and pray and then leave it there" and that is what I did. She truly was that virtuous woman that the Bible talks about.
