“ 4 months later and I still miss you terribly. We were planning a trip out to see you and grampa in June, and that has come and went... it still doesn't feel real that I can't just call you, text you, or answer your call. I saved all of your voicemails, and I listen to them often. I miss your voice... You were one of a kind and I'll never stop talking about you or sharing our memories. Love you always and forever.

“ I've only known Norma for two years, but what a blessing she has been to me. She was so welcoming when we came to Concordia and was a true example of Christ's love on earth. I pray for peace and comfort for Chris and family, for we will see her again for all eternity.
