“ It was a privilege to know Nick. As a member of the board of directors for Beacon Community Credit Union I worked with him for many years. He was an admired and respected leader and officer. Always willing to share his knowledge, insight and common sense solutions for the success of any organization at which he volunteered. As a friend I appreciated his support and encouragement. I will always remember all the stories he would tell at our outings and I feel the emptiness of knowing he is no longer there to call or email. He and Sharon were perfect together and it was a delight just to be around them.
Rest in Peace my friend. I will never forget you.

My heart goes out to you Sharon. Please know how much you are loved and supported during this very sad time. Love and Prayers
