“ To the Newcomb Family, I just saw this obituary and wanted to say your Father was a wonderful man and "Coach". I have very fond memories of playing baseball behind Stonestreet School and your Father was a big part of that. I'll bet he is fondly remembered by a lot of baseball players. I'm sorry for your loss.

“ Dear Newcomb family, we are thinking of you at this time with the loss of a great father, grandfather, and husband to Mom. Dad Tom obviously had a lot to be proud of....Just looking at the list of wonderful sons, daughters, and grandchildren (with spouses) lets one know there was a whole lot of love there! Though I personally didn't get to meet each and every one of you, my knowledge of Tom, Sarah, and their kids makes it easy to realize the joys of togetherness in your family. Our thoughts and prayers are with you all. Pete and Donna Marzek
