“ *Mr. Williams was one of those teachers who made a difference. He was kind and compassionate. I was in his class 50 yrs. ago and I often think of him. He was the principal in the school my children went to and I knew they would be fine with him in charge. My condolences to his family. He will be missed*

“ *Jane, Anne and Emily,  
My sincerest condolences on your loss. Oliver was a fine person who always seemed to have such a quiet strength. I remember the grin and the gentle shake of his head at some of my antics but he always treated me, and others, with kindness and respect. I will keep a good thought for y'all as you deal with Oliver's passing.*

*Respectfully,
